

WEE Center Brightwheel (social network) Consent Form

My signature gives permission to the WEE Center to photograph and/or videotape my child while participating in daily activities, and to distribute the photographs and/or videos through the Brightwheel application. These pictures/videos will NOT be used for any advertisement purposes, but for communication purposes only. To assist the teachers in creating a positive environment for each child and communication between home and school, videos/photographs are used in every classroom, but only that classroom's parents and teachers can have access to them. They can be monitored by the office staff throughout the day. This enables the office staff to stay better connected with the classrooms and respond to any immediate needs that may arise.

We will also use this app to communicate school closings and/or delays due to weather conditions, as well as calendar events. Please turn all notifications from Brightwheel ON to see these messages.

Please provide the name(s), email address(es), and phone number(s) of the parent/guardian(s) below in order to be invited to download Brightwheel and have access to your child's photos/videos.
